Programme & Scholarship Choice

Choice of Programme

Please indicate your choices according to your preference. Consider your interests and aptitude very carefully when making your selection. Once you have submitted your application, it will not be possible to change your choice.

If you are interested in the law programme, please indicate law as your 1st choice. This will also apply to application for double degree. Interviews and writing tests for shortlisted law applicants will be conducted in end March to April. For more details on the law interview and writing test, please click this [link](#).

Outstanding students will be considered for direct admission into the double degree programme. Successful applicants may enrol in a double degree programme consisting of any two disciplines (Primary Degree and Secondary Degree) in Accountancy, Business Management, Economics, Information Systems Management, Law and Social Science. The primary degree can be any one of the five disciplines. The secondary degree can be any one, except Law, and Computer & Law. Law, and Computing & Law cannot be taken as a secondary degree. The offer of a place in the double degree programme will be based on your 1st choice and 2nd choice indicated in your online application form. If you are interested to be considered for a place in the double degree programme, please select 'Yes' in Apply for Double Degree question.

Apply for Double Degree?* ☒ Yes ☐ No

1st Choice Bachelor of Science (Computer Science)

3rd Choice Bachelor of Science (Software Engineering)

The Bachelor of Science (Software Engineering) degree is specially curated to interlace classroom-learning with experiential-learning for our students. It features a rigorous 52-week apprenticeship where you get to work in development teams under the mentorship of professional software engineers. The school collaborates closely with our industry partners to equip you with technical, teamwork and communication skills to take on the software engineering role. Besides mentorship, our industry partners will co-develop and co-teach the curriculum to ensure that you are familiar with current practices adopted by the profession. For more details, please click [here](#).

4th Choice Bachelor of Social Science
